May 7, 2010

Dear TCS Family,

We are so proud of our TCS students! Teachers and administrators alike have been telling stories all week of the spiritual breakthroughs happening on our campus...in JH science class, cheerleading practices, Chapels, and elementary classes. Jesus is being lifted up on this campus and what a wonderful way to finish the school year. May God be glorified in all that we do during these final days, and may His power and love be reflected by every student and staff member. Have a blessed week,

*In His Service,
Dr. Kathy Watts*

Upcoming Dates

- May 8th** TAPPS State Track
- May 10th** HS Athletic Awards – 7 PM (Children’s Ctr.)

Important FACTS Enrollment Information

- 1) Enrollment is not complete until FACTS is complete.

Click on the following link to access:

<https://online.factsmgt.com/Tmg/public/AgreementSignup.aspx?t=3CHND>

- 2) We have recently been made aware of a statute in the State of Texas that deals with the option of payment by credit card and the surcharges associated with that payment option. The surcharge cannot be passed on to the user and TCS is not in a position to pay these surcharges. Therefore, **as of the 2010-2011 school year we will no longer be able to offer credit card as an option for payment on FACTS Tuition Management Company.**

We appreciate your understanding and thank you for your continued support. For questions, please contact Tina Moore at tmoore@trinitychristianschool.com or by phone at 972-291-2505.

\$

Your Fundraising Dollars at Work

You may have noticed a new bus going on trips like the Regional Track Meet and Fine Arts Competitions this spring.

New to TCS...we are leasing buses as needed from the Peterman Bus Company.

Thank you for your continued financial support of TCS!

Calling all Friends of TCS!

Plans for TCS ball fields are underway.

TCS is preparing the ground for baseball and softball fields, but we need **DIRT.**

We will take it from anywhere... pools being dug, ponds, housing developments, back yards, etc.

Do you have dirt?

Do you know someone who has dirt?

If it is gratis (free), we will make arrangements to pick it up. Please contact

Mike Helmer at 972.291.2505 for more information.

6th Grade Science Fair Honors

All students worked incredibly hard and produced impressive projects.

1st - Cody Patton

2nd - Jordan Bailey

3rd - Elle Miller

4th - Ryan Hampton

5th - Deontae Ingram

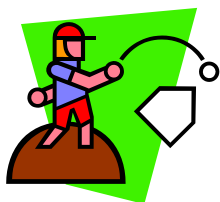

6th - Jessica Morales

HM - Caleb Biggers

HM - Haley Murphy

HM - Sally Reid

Judges for the 6th grade that so graciously gave of their time were Melisa Edler, Jeannie Taylor and Yevette Carter.

Dirt Needed!!!

PRO will be selling Chick-fil-A Sandwiches on Thursday afternoons from 3:30-4:30 pm.

Elementary Academic News

OVER the TOP...

An excellent description of the effort and product put out by the Fourth Grade students who recently displayed projects for the innovative Inventor's Fair.

Each student was required to invent a product that would make their life easier. They had to make a scale model of the product, keep a journal of their process, and make a poster showing their scientific methods. Classrooms are full of amazing products that look good enough to patent!
